HEART OF THE ROGUE

With more than 200 days of sunshine a year, Medford and the Rogue Valley radiate with outdoor opportunities. Whether you can't wait to swing a nine iron, pack a lunch and find solitude on a trail, paddle across the calm of a cool lake, zip-line above stretches of riverbed and canyon, or choose your own adventure, the Rogue Valley has everything under the sun, including the sun, to help make it happen.

Dotted with boutique vineyards and breathtaking wine trails, the hills of Medford and surrounding Rogue Valley offer more than 70 varieties of wine. While the caliber, depth, and diversity of our wines may come as a surprise to some, our farmers and winemakers have been at it for generations. Experience Southern Oregon, a region named by *Forbes* and *Wine Enthusiast* as a top global wine destination, and unearth new tales while revisiting old favorites one sip at a time.

Being a foodie is as much about appreciating a diversity of culinary experiences as it is about getting to know the culture behind them. From local and internationally-prized food artisans like Lillie Belle Farms and Rogue Creamery, to fresh microbreweries like Walkabout Brewing and Osmo's Alehouse, to premier cocktail bars, food trucks and restaurants, our foodie scene is an extension of who we are: organic farmers, master cheesemakers, brew aficionados, and innovative chefs. Visit Medford, and land a seat at the head of Southern Oregon's burgeoning foodie table.

Looking for electrifying experiences among intimate crowds? With some of the best live performances on the West Coast, Medford and the Rogue Valley bring you into the fold through an enchantment of high-caliber Broadway productions and ballets, music and art - all without the fuss of big city logistics. Sit back and let the Craterian Theater's diverse repertoire of performances regale you, or settle in and allow an impressive live show at the Britt Music and Arts Festival or Oregon Shakespeare Festival sweep you away.

Shopping in Medford? Grab a cup of local roast from Limestone Coffee and prepare for a full day of funky art shops and eclectic boutiques, robust farmers markets, antique stores and fashion micro-hubs. Whether you start small with one of our locally-owned art galleries, jewelers or clothiers, or you go big at the Rogue Valley Mall, we're all about exceeding expectations. With an organic mixture of exciting new stores and classic favorites, Medford is easy to love and even easier to shop.
